

Principal's Update

We celebrated the end of GCSE examinations with Year 11 students yesterday, it was lovely to see the students back and reflect with the year group on how they had exemplified the values of responsibility and commitment over the examination period. We look forward to the prom next week! Thank you to Mr Howard for organising the leavers event and prom.

Year 10 have just completed their summer assessments, this was their first experience of the assessments in the hall and they rose to the challenge admirably. So much so that Mr Howard has organised a celebration event, with ice cream, on the E-Block Field during tutor time on Monday.

During assemblies last week, Mr Tregale shared with students the houses they will be in next year, all staff will represent a house as well. It has been great this week to hear the excitement around the house system, particularly sports day, which will be our first house event with the winning house having a reward event on July 18th.

Students have until June 30th to submit their entries for the house logo competition!

Congratulations to Jack Whitelegg, Euan Baldwin, Hunter McDonald and Jun Wang who beat teams from across the country to win the OAT chess tournament. Thank you to Mrs Hanzelyova and Mr Sallis for honing the team's skills.

I hope that you have an enjoyable weekend.

Year 8 Battlefields Trip

Last week 41 Year 8 students travelled to Belgium and France for the WW1 Battlefields trip. On their first day they visited many of the major sites around Ypres, including the cemeteries at Tyne Cot and Langemark, as well as Sanctuary Wood. After a well-deserved evening meal, the students attended the daily Last Post service at the Menin gate.

The following day the group woke up bright and early, before heading towards sites of interest relating to the Somme battlefield, as well as the Beaumont Hamel Newfoundland, Thiepval and Vimy Ridge memorials.

After an emotionally and physically demanding two days, the students returned home.

All staff involved felt that the entire group had been engaged and respectful for the duration and can be proud of how they represented themselves and the school.

Shorts reminder

As you will know from last week's bulletin, we would like to give students the opportunity should they wish to wear smart and appropriate tailored shorts during this summer term. Details regarding the shorts that will be acceptable are below. Please note that all other aspects of the uniform should be worn properly alongside shorts. Ties should be worn unless directed otherwise, socks should be a dark colour with no logo, shirts should be tucked in, no outdoor clothing/ jackets should be worn in the building and expectations regarding footwear remain the same.

Shorts must follow the guidelines below:

Knee-length tailored smart shorts in black

Any belt worn must pass through loops and be plain black

No cargo style shorts

No logos or visible branding

No cycling shorts, sports/ PE shorts or short/ tight shorts are to be worn

The school will continue its relationship with Birds of Dereham who will supply badged and non-badged school uniform that is fully compliant with our uniform expectations, and a link to their non-badged shorts can be found [here](#). Similar shorts are available from other suppliers but must meet the expectations above. I would like to thank you in advance for your on-going support and co-operation in further improving uniform and equipment standards at Broadland High Ormiston Academy.

Waterbottles

Please send students to school with a water-bottle to ensure that they remain hydrated during the warmer weather!

Performing Arts Update

We're taking 16 students from Drama, Music and Dance out on Friday 30th June to take part in the annual Ormiston East Performing Arts Showcase.

Tickets are on sale via <http://www.ova.sellseats.co.uk> should any parents/friends/family wish to attend and support their peers.

BHOA Swap Shop

#WeWill Recycle encourages all people to be as eco-friendly and sustainable as possible by diverting materials from landfill and promoting recycling.

What you can do to help...

Donate an item(s) of unwanted clothing

Make sure it is clean and a suitable size for another BHOA student to wear. Drop off in A4 (Textiles room).

Support the swap shop

Come along to the event and encourage others.

Choose a free item of clothing for yourself

....and remind yourself how you have been environmentally conscious

Mobile Phones

Thank you in advance for your support with reminding students of our expectations regarding mobile phones with the academy. We have reminded students that mobile phones should not be carried in blazer or trouser pockets, all phones should be turned off and in bags. Should students need to contact you during the day, they can do so via the office or student support centre. Mobile phones that are not away in bags as per the academy policy will be confiscated for the remainder of the day.

Are you fully protected?

The HPV, MMR, MenACWY and DTP **vaccinations** will keep you safe!

Child Employment

This does not apply to work experience placements

Parents

Is your child keen to get a part time job? Maybe they already deliver newspapers, have a Saturday job, volunteer at a charity shop or work during the school holidays?

Employers

Are you keen to give an employment opportunity to a child? Do you already employ children aged 13-16 years?

Did you know?

It is illegal to employ children of compulsory school age without a **child work permit**. Without one the employer risks prosecution, and children may not be insured.

GOOD NEWS! Child work permits are free

Applying for a work permit is simple, apply using the form on our website www.norfolk.gov.uk/childemployment or scan the **website QR code** below.

Our website also has lots of information about the rules and regulations to be followed when employing children.

Feel free to email us at childemployment.edu@norfolk.gov.uk.

Attendance

If your child is not well enough to attend school, please contact us as early as possible and at the latest by 8.00am on the first day of absence and every day following. Please give a full explanation of why your child is not absent so as we can monitor and support with the type of illness.

Please report absence via EduLink or call the attendance line to discuss with Mrs Middleditch.

Mobile Phones

Mobile phones, smart watches, headphones, speakers and MP3 players are not allowed to be seen on the academy site (NB: the academy does not take any responsibility for such items). They may be used on the way to and from the academy but must be turned off and put away in bags before the student enters the site and must not be taken out until the student has left the academy site. A small number of students are leaving phones visible in blazer pockets which leads to confiscation. Please remind students to turn off and put away their phone when they arrive at the academy. Should students need to contact you during the day, they can do so via the office or student support centre.

Drop off/ Pick Up

Please do not drop off and pick up students on the academy site unless you have an appointment on site or a specific need such as an injury. This can lead to dangerous levels of traffic on site at a very busy time.

Excellent attendance matters!

Kooth

Kooth is a web based confidential support service available to young people. Kooth provides a safe and secure means of accessing mental health and wellbeing support designed specifically for young people.

Kooth offers young people the opportunity to have a text-based conversation with a qualified counsellor. Counsellors are available from 12noon to 10pm on weekdays and 6pm to 10 pm at weekends, every day of the year on a drop-in basis. Young people can access regular booked online counselling sessions as needed. Outside counselling hours' young people can message our team and get support within 24 hours.

When students register with **Kooth** they will have support available to them now and in the future. Support can be gained not only through counselling but articles, forums and discussion boards. All content is age appropriate, clinically approved and fully moderated.

To find out more visit

Safer Schools App

As part of OAT we have free access to the Safer Schools App. The Safer Schools App is an award-winning safeguarding resource, developed in partnership between Ineqe Safeguarding Group and Zurich Municipal, that helps entire school communities to better protect themselves in the digital world, through delivering contemporary and contextual safeguarding information to teachers, students, parents and carers.

Parents and carers have access to information on the popular social media platforms used by their children and their friends. They are also provided with an insight on critical issues such as bullying, sexting and gaming and are given easy to follow advice on how they can make their homes and the devices they give their children safer. Parents and carers can download the app and scan the QR code to the left or enter the code for our academy - 7675.

Students have access to age appropriate information, advice and guidance on keeping themselves safe online. Students can download the app and scan the QR code to the right or enter the code for our academy - 4898. If you have any questions or concerns about safeguarding please do not hesitate to contact one of the BHOA team.
