## Principal's Update

We've had so many entries for the OAT Photo the World Competition, it's been great to see them on screens around the school and we're looking forward to announcing winners next week in assembly. On Friday 6<sup>th</sup> October, our Performing Arts Ambassadors spent the day at Roys offering a bag pack service to the local community. The students involved were all a credit to the Academy and conducted themselves professionally when interacting with staff and members of the public. It is estimated the students raised around £400 in total throughout the day! Huge thanks and congratulation to our Performing Arts Ambassadors who carried out the bag pack service: Maddie H, Daisy H, Theo F, Katie P, Isla L, Lottie M, Lillie M, Tilly G, Jacob G and Harry A.

## Ormiston's Got Talent

This week we have launched Ormiston's Got Talent to our students, which is a national Ormiston competition with an incredible £1000 prize for the winner to spend on any Performing Arts events of their choice. Students are invited to submit a 2-minute video recording of their talent to Mr Howard in the Drama Department by 24<sup>th</sup> November. Talents can include acting, singing, instrumental playing, bands, gymnastics, acrobatics, juggling, stand-up comedy, the list is endless! If it's a talent that you might see on Britain's Got Talent, then it is perfect for this competition! Mr Howard, Mr Tregale and Miss Riley will judge the video entries, and with the support of 3 industry professionals, will choose the 3 best. These 3 entries will progress to the Regional Final on 12<sup>th</sup> March 2024 where they will compete against other students from other Ormiston schools in the Eastern region. The winner of the Regional Final will progress to the National Final in June 2024 to be in with a chance of winning the £1000 prize!

## Sports Report

### Boys Football

There was a cup defeat for the Yr 10s against Kings Lynn Academy. A close match with lots of chances for both teams. Jacob scored for us but we were unable to match our opposition in a 1-3 loss.

We took part in two entertaining matches at Aylsham this week. The Yr 7 boys came back from conceding three goals in the first 15 mins to eventually lose 3-4. Oli B, Edward and a free kick by Henry on the scoresheet for Broadland. The Year 8 boys also went three nil down and pulled a goal back late on through Hayden but lost 1-3.

### Girls Rugby

We took part in a brilliant girls rugby day at NWRC. We saw amazing level of commitment from all who took part and lots of improvements made over the course of the day. Broadland won 3 of their 5 matches, with some brilliant tackles and tries during the games.

### Surfing

We had our last surfing session of the year this week. The students have made great progress over the course of the sessions. Well done to everyone and thank you to Mrs Wilson for organising.

## Kooth

**Kooth** is a web based confidential support service available to young people. Kooth provides a safe and secure means of accessing mental health and wellbeing support designed specifically for young people.

**Kooth** offers young people the opportunity to have a text-based conversation with a qualified counsellor. Counsellors are available from 12noon to 10pm on weekdays and 6pm to 10 pm at weekends, every day of the year on a drop-in basis. Young people can access regular booked online counselling sessions as needed. Outside counselling hours' young people can message our team and get support within 24 hours.

When students register with **Kooth** they will have support available to them now and in the future. Support can be gained not only through counselling but articles, forums and discussion boards. All content is age appropriate, clinically approved and fully moderated.

## Safer Schools App

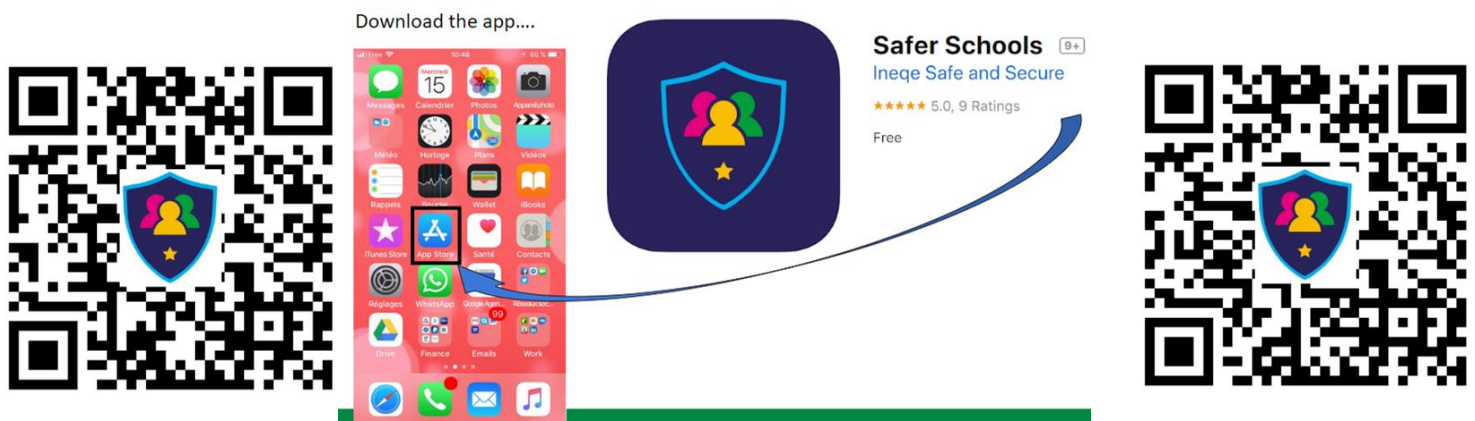

As part of OAT we have free access to the Safer Schools App. The Safer Schools App is an award-winning safeguarding resource, developed in partnership between Ineqe Safeguarding Group and Zurich Municipal, that helps entire school communities to better protect themselves in the digital world, through delivering contemporary and contextual safeguarding information to teachers, students, parents and carers.

Parents and carers have access to information on the popular social media platforms used by their children and their friends. They are also provided with an insight on critical issues such as bullying, sexting and gaming and are given easy to follow advice on how they can make their homes and the devices they give their children safer. Parents and carers can download the app and scan the QR code to the left or enter the code for our academy - 7675.

Students have access to age appropriate information, advice and guidance on keeping themselves safe online. Students can download the app and scan the QR code to the right or enter the code for our academy - 4898. If you have any questions or concerns about safeguarding please do not hesitate to contact one of the BHOA team.
