Principal's Update

Attached to this week's bulletin are details of the OAT Science Cup. Students can pick up a scorecard to enter the competition from their science teacher. There's lots of prizes on offer!

All year 11 students collected a revision checklist booklet this week which contains all the material for their winter assessments. The timetable for the assessments is also attached to the email this week.

They have also had a tutor time reminding them of the importance of getting organised and beginning revision thoroughly. It can be really beneficial to have conversations with them at home about their study plan and exam timetable, discussing their checklists and where possible ensuring they have a quiet space to revise.

The Winter Assessments are a superb opportunity for students to revise/ revisit and organise their Y10 work and folders and identify any gaps in knowledge. They are also present a good opportunity to put into practice the study habits and skills which they have been perfecting throughout KS3 and 4.

[Mrs Mayhew has also prepared a video, which students have watched, outlining how to use the checklists. The video can be seen by following this link.](#)

I hope that you have a good weekend.

Vacancies at BHOA

We are currently advertising for the following roles.

Teacher of Modern Foreign Languages – [German and French. For more information please use this link.](#)

LSA – Full time. [For more information please use this link.](#)

Sports Report

Girls football

U12 girls have had a busy week of fixtures, first County cup game played against a strong Downham Market side. The girls battled well but couldn't quite secure the win to see us into the next round. Rose scored two amazing goals and shout out to Leia for performing non-stop amazing saves! The second fixture of the week was a friendly tournament at Aylsham, the girls showed great character and the performance of all improved as we played more games. Credit to Tilly who did not stop running for all three gam

The U16 girls had their first run out of the season in a friendly fixture against Aylsham - Fantastic football played by all in preparation for our first County Cup game against Reepham next week!

Sports Report

Boys football

A tough afternoon for our Year 11 boys in the County Cup against Dereham Neatherd. A much improved second half saw a well worked team move resulting in a good cross by Finn and Caedn netting our only goal of the match.

NINE - NIL! What a fantastic performance by the Year 9 boys in the County Cup against Cromer. We dominated from start to finish. Excellent passing football from front to back. Goals by: Will 3, Oli 4, Toby and Ty. #cuprun

Boys Rugby

Year 7 boys took part in a great opportunity to develop their knowledge and skills in rugby. A skills morning focusing on movement, support play and passing developed skills for some inter-school fixtures in the afternoon against Acle, Aylsham and North Walsham.

OAT STEM Trip To Miami

As part of the ongoing work of OAT STEMFest we are pleased to announce that in June 2025, Ormiston Academies Trust will be running an enrichment trip to Miami, USA.

This trip is open to any current **Year 8 or 9 student**, from any OAT secondary school. Places will be limited to 30 students from across the 32 secondary schools.

The trip is scheduled to take place at the end of **June 2025** and will provide students with a six-night stay in Miami. During their time in this vibrant city, students will have the opportunity to immerse themselves in its rich cultural offerings. In addition to exploring the cultural wonders of Miami, students will also have various opportunities to expand their knowledge of the natural world, arts, and physical sciences.

This is not just a trip for those who love science, but for any student who has a passion for adventure, love of learning and meeting new people.

Some of the proposed activities are shown below as well as the Venetian outdoor swimming pool, the Dolphin shopping mall, South Beach and many more...

Finally, we endeavour to allow any student who attends, the chance to work collaboratively with students from Miami Dade College, whilst they are on the trip.

The proposed cost for the trip is £2,000. This is subject to final booking arrangement, but will cover the cost of travel, food, accommodation and all planned activities.

Register your expression of interest by **Monday 2 October 2023** using the QR code or the link <https://forms.office.com/e/4URzgQBBd>.

A young man is performing a handstand against a vibrant, multi-colored background that transitions from green and yellow on the left to purple and blue on the right. He is wearing a maroon jacket over a white t-shirt, maroon trousers, and dark sneakers with white soles. He has a patterned headband on his head. His right hand is planted on the ground, and his left hand is reaching up towards his right foot, which is extended upwards. His legs are spread wide, with the right leg bent and the left leg extended straight up.

Kooth

Kooth is a web based confidential support service available to young people. Kooth provides a safe and secure means of accessing mental health and wellbeing support designed specifically for young people.

Kooth offers young people the opportunity to have a text-based conversation with a qualified counsellor. Counsellors are available from 12noon to 10pm on weekdays and 6pm to 10 pm at weekends, every day of the year on a drop-in basis. Young people can access regular booked online counselling sessions as needed. Outside counselling hours' young people can message our team and get support within 24 hours.

When students register with **Kooth** they will have support available to them now and in the future. Support can be gained not only through counselling but articles, forums and discussion boards. All content is age appropriate, clinically approved and fully moderated.

To find out more visit

www.Koothplc.com (adults)

www.kooth.com (young people)

where young people can register and others can find out more about the service.

You can also view a short video about the service at: <https://vimeo.com/318731977/a9f32c87de>.

Safer Schools App

As part of OAT we have free access to the Safer Schools App. The Safer Schools App is an award-winning safeguarding resource, developed in partnership between Ineqe Safeguarding Group and Zurich Municipal, that helps entire school communities to better protect themselves in the digital world, through delivering contemporary and contextual safeguarding information to teachers, students, parents and carers.

Parents and carers have access to information on the popular social media platforms used by their children and their friends. They are also provided with an insight on critical issues such as bullying, sexting and gaming and are given easy to follow advice on how they can make their homes and the devices they give their children safer. Parents and carers can download the app and scan the QR code to the left or enter the code for our academy - 7675.

Students have access to age appropriate information, advice and guidance on keeping themselves safe online. Students can download the app and scan the QR code to the right or enter the code for our academy - 4898. If you have any questions or concerns about safeguarding please do not hesitate to contact one of the BHOA team.
