## Norwich Theatre – Boys Movement Company

Norwich Theatre recently launched a brand new 'Boys Movement Company' at Norwich Theatre. The company is aimed at 11-18 year old boys. Norwich Theatre's Boys Movement Company is a bold and diverse in-house company, exploring the wide-ranging styles of dance, choreography and movement from around the world. We are creating an inclusive place for boys with the aim of building confidence, resilience and friendships. What makes this company different to others is getting access to the world-class performers who visit and perform at Norwich Theatre - we are planning masterclass sessions with renowned movement companies as well as in-house workshops, invitations to film screenings, talks and tickets to watch productions. No previous experience is required.

### Next week they are holding a Panto masterclass.

- This is a unique, one-off masterclass with the director and choreographer of our in-house production, *Sleeping Beauty – The Fairy's Tale*. Led by Ben Nash with guest practitioner, Chris Cuming (director of *Sleeping Beauty*) and choreographer, Nathan Rigg, participants will have the chance to talk to the *Sleeping Beauty* creative team, while learning some moves and techniques from the show. This is a great opportunity to learn from professional theatre makers as they take a break from rehearsing the region's biggest pantomime!
- The sessions are bookable on their website for just £5 per person:

- If payment is a barrier, they can offer support via their bursary scheme ([My Theatre | Norwich Theatre](#))

## Safer Schools App

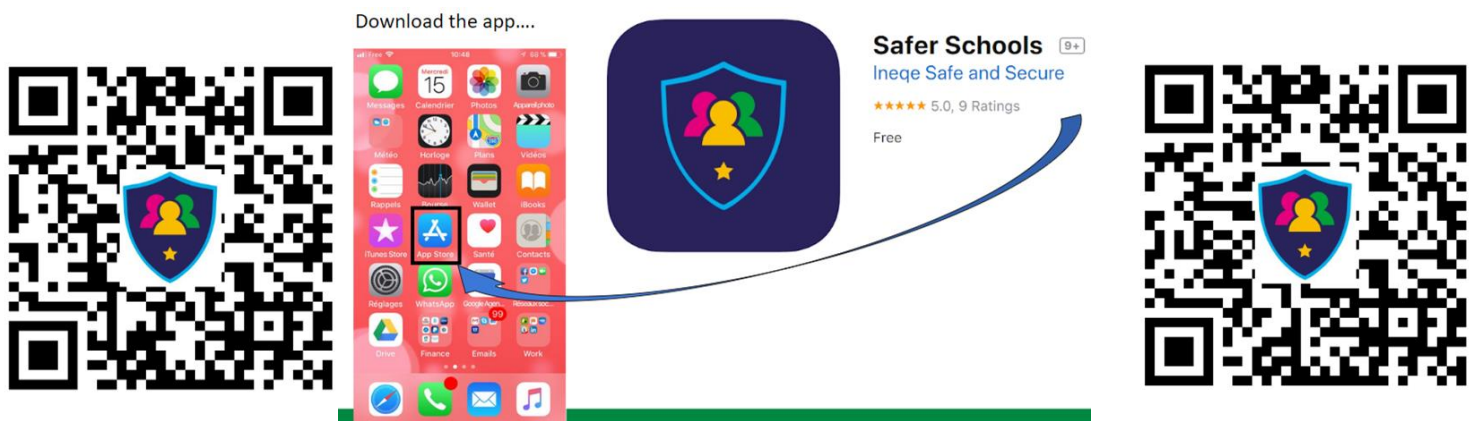

As part of OAT we have free access to the Safer Schools App. The Safer Schools App is an award-winning safeguarding resource, developed in partnership between Ineqe Safeguarding Group and Zurich Municipal, that helps entire school communities to better protect themselves in the digital world, through delivering contemporary and contextual safeguarding information to teachers, students, parents and carers.

Parents and carers have access to information on the popular social media platforms used by their children and their friends. They are also provided with an insight on critical issues such as bullying, sexting and gaming and are given easy to follow advice on how they can make their homes and the devices they give their children safer. Parents and carers can download the app and scan the QR code to the left or enter the code for our academy - 7675.

Students have access to age appropriate information, advice and guidance on keeping themselves safe online. Students can download the app and scan the QR code to the right or enter the code for our academy - 4898. If you have any questions or concerns about safeguarding please do not hesitate to contact one of the BHOA team.
