Principals Update

We had a fantastic turnout to the first round of auditions for Broadland on Broadway this week. There will be another audition next week and positions still exist for any students wishing to take on the roles of marketing manager and front of house! The date for the performance will be confirmed in next week's bulletin.

House assemblies this week have focussed on enrichment opportunities taking place this term as well as celebrating participation so far. Mr Tregale continues to speak with students about competitions that they would like to see us organise to ensure that as many as possible are able to participate in events!

Finally, congratulations to Y11 students for completing their Winter Assessments this week.

I hope that you have a good weekend.

Sports Report

Boys Football

The Year 9 boys football team have played two games in two days this week. First, they played under the lights at Aylsham High and found themselves 0-4 down early in the second half. A strong finish with goals from Oli and a top finish from Morgan looked like we might make a great comeback, but we couldn't keep the momentum going.

The next day, a brilliant performance saw the team beat Dereham Northgate 4-2 in the county cup. A soft goal conceded after 2 mins sparked us into life with some neat footwork from Patryk who netted our first, Oli finished off a great team move to put us up 2-1 at half time. A mis-kicked clearance from the opposition goalkeeper left Oli with an open goal for our third. Morgan struck a long range free kick into the top corner to put us into a comfortable lead. A late consolation goal from Northgate completed the scoring.

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, Broadland will shortly be using Unifrog, an award-winning, online destinations platform. All students in all Years will have access to this website by the end of the academic year.

We will begin with Year 10 students to enable them to add work experience placements - we will send Y10 students and their parents further information about how to do this next week.

Students access the platform by clicking a link in their welcome email, which will also be sent to their school email address next week. They will then be able to create a password and can begin using the platform.

They will sign in to Unifrog using their academy email address and password and they can do so from any computer, tablet, or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:

Section of the platform	Examples of what students can do	Suitable age range
Quizzes	Finding their interests, personality type, preferred work environment, and skillset.	Years 7-11
Exploring pathways	Explore careers, career sectors, subjects, sign up to free webinars, explore MOOCs and courses, and find wider reading materials.	Years 7-11
Recording what you've done	Record their in-class and extracurricular activities, record examples of their skills, and see the record of CEIAG events the school has added to their accounts.	Years 7-11
Work experience placements	Record their work experience placement, keep track of its approval process, fill in a day today placement diary.	Year 10

CHRISTMAS BAUBLE COMPETITION

Make and submit your own christmas bauble. House points for entries and prizes for best ones. Give to Ms Wilson by the 1st December in A5.

Kooth

Kooth is a web based confidential support service available to young people. Kooth provides a safe and secure means of accessing mental health and wellbeing support designed specifically for young people.

Kooth offers young people the opportunity to have a text-based conversation with a qualified counsellor. Counsellors are available from 12noon to 10pm on weekdays and 6pm to 10 pm at weekends, every day of the year on a drop-in basis. Young people can access regular booked online counselling sessions as needed. Outside counselling hours' young people can message our team and get support within 24 hours.

When students register with **Kooth** they will have support available to them now and in the future. Support can be gained not only through counselling but articles, forums and discussion boards. All content is age appropriate, clinically approved and fully moderated.

To find out more visit

Safer Schools App

As part of OAT we have free access to the Safer Schools App. The Safer Schools App is an award-winning safeguarding resource, developed in partnership between Ineqe Safeguarding Group and Zurich Municipal, that helps entire school communities to better protect themselves in the digital world, through delivering contemporary and contextual safeguarding information to teachers, students, parents and carers.

Parents and carers have access to information on the popular social media platforms used by their children and their friends. They are also provided with an insight on critical issues such as bullying, sexting and gaming and are given easy to follow advice on how they can make their homes and the devices they give their children safer. Parents and carers can download the app and scan the QR code to the left or enter the code for our academy - 7675.

Students have access to age appropriate information, advice and guidance on keeping themselves safe online. Students can download the app and scan the QR code to the right or enter the code for our academy - 4898. If you have any questions or concerns about safeguarding please do not hesitate to contact one of the BHOA team.
