

Principal's Update

I'm constantly impressed by the quality of our student leadership in all areas of the academy. Last week, some of our young sports leaders – Ben, Alex, Tom, Evie, Oli, Skyla, Patryk, Tyrone, Nancy and Lewis spent the day at the UEA with Olympic GB Shot Putter Sophie McKinna.

All students embraced being a sports leader and represented the academy brilliantly with some exceptionally positive feedback for Patryk who was an outstanding leader throughout the day

The activities were all based around inclusion, and they worked with 6 schools, 2 complex needs, 4 mainstream. They had to produce a working document about how their own school could improve inclusivity in PE/Sport and what they would like to see change, we are really looking forward to working with them around how we can implement their plans. A huge thanks to Miss King and Miss Alexander for ensuring that students could take part in this excellent opportunity.

Next week we are really looking forward to welcoming Year 10 parents to the academy for what will be a really informative Post 16 evening. A reminder also that Y7 progress evening takes place on Thursday with appointments bookable via Edulink.

House assemblies this week focussed on the charities that individual tutor groups would like to contribute to, alongside a round-up of the enrichment opportunities on the horizon.

Sports Update

We've had lots of sporting activities this week!

There was a trip to UEA for the U13 girls for the indoor cricket. We had some tough teams in our group. However, the girls did extremely well with an improvement from last year. We finished the day on a positive - winning our final game. Fantastic bowling from Ruby, Katie and Isla.

It was a tough day for U15's at the cricket. The girls made great progress throughout the day, and only just missed out on winning in a few of the games. Huge learning opportunity for our girls, we go again next year.

Finally, a wet day at the UEA for the U14 girls football team. After winning 3 out of 4 games in the group stage, saw us into the play offs against Wymondham and winning 1-0. The final was a very equal game against Lynn Grove, but LGA secured the win with 1-0 setting the teams apart - Goals from Ruby x3, Caitlyn x2, Marcie x1.

YOUROATVISION SONG CONTEST

YourOATvision Song Contest is a composing and song writing competition, created exclusively for OAT pupils. Pupils are encouraged to write and record a song around the theme of 'Belonging'.

The competition has been inspired by the famous Eurovision Song Contest and we hope to see as many academies participate as possible.

This is the first year of running this competition and we hope it will grow into a wonderful annual showcase of OAT's budding musicians!

Any staff member within your academy can run this competition, it could be a science technician who is in a band or part of the catering team who has a passion for composing, it can be a weekly enrichment club, a one-off workshop, or pupils can simply work as an individual or group and send it to the named staff contact in academy, who will then submit it to the central team by emailing youroatvisionsongcontest@ormistonacademies.co.uk on their behalf.

Where academies have more than one entry, they will need to vote for their favourite and submit it to youroatvisionsongcontest@ormistonacademies.co.uk no later than **26 April 2024**. All entries will be reviewed by judges on **3 May 2024**. The winning song will be celebrated with an announcement on **Friday 10 May 2024**.

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, Broadland will shortly be using Unifrog, an award-winning, online destinations platform. All students in all Years will have access to this website by the end of the academic year.

We will begin with Year 10 students to enable them to add work experience placements - we will send Y10 students and their parents further information about how to do this next week.

Students access the platform by clicking a link in their welcome email, which will also be sent to their school email address next week. They will then be able to create a password and can begin using the platform.

They will sign in to Unifrog using their academy email address and password and they can do so from any computer, tablet, or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:
