

5th July 2024

Principal's Update

We awarded our first 'Glass Heart' this week, and we will award a glass heart every fortnight to the student with the most votes. Votes are given to people who demonstrate kindness, friendship and consideration for others. Students that win the glass heart award get a glass heart to keep which entitles them to jump the dining hall queue at break and lunch and 10 house points.

It was lovely to read the comments made about Ben who goes above and beyond to support members of our community, and to celebrate the positive impact that he has. Well done Ben!!

This week, Miss King took a number of students across KS3 to Ormiston Victory for the inaugural Challenge Conference. Students engaged in talks from a number of leaders who have experiences in a variety of backgrounds. The student's engagement was brilliant and contributed positively to the talks. We'll share more information on this next week!

Thank you to all parents that attended both the Year 10 and Year 6 information evenings this week, it was great to see such high levels of engagement in these important events.

On 19th September students will be taking part in a post-16 afternoon, where they will listen to staff from different colleges / sixth forms talking about what their institution is like. We want to try to make sure students can go to the talks they are most interested in, so it's important they fill in this form **before 16th July**. (It has been sent to y10 students on their email).

<https://forms.office.com/e/yaBwWiqFPq> (They need to be logged into Microsoft with their school account).

All they have to do is put in their name and form, then drag and drop the providers into order so that the one they are most interested in is at the **top**, and the one they are least interested in is at the **bottom**.

Have a lovely weekend

Sports Report

Congratulations to Seth in Year 10. Seth represented the Norfolk and Suffolk Region Air Cadets, (the very best athletes from within the whole region to compete in the Inter Wing Athletics Competition which was held at Grantham on Saturday 22nd June 2024).

Seth did exceptionally well competing in the 100 metres, 200 metres which he came 2nd and "importantly" Seth won by a long way in the Inter Wing Athletics Competition Air Cadets 1500 metres race and he received the Gold Medal

Last month Miss King took the U15 Girls Cricket team to Redmayne to compete in the Chance to Shine cricket tournament. Coming up against some difficult schools, the girls played some excellent cricket with our defeats only being due to missing out on a few runs! No matter what the result the girls showed a great level of resilience and enjoyed the day, with the cricket being played being a huge improvement to the indoor cricket.

Prom 2025

The Y10 Prom Committee are not wasting any time in getting organised for 2025!!

With prices rising for venue hire, food and all of the other associated costs, their goal is to make prom affordable for all students in the year group and are looking local businesses to sponsor the event alongside putting on a number of other fund-raising activities. All sponsorship will go directly to reducing ticket prices. If you know of any local businesses who may wish to get involved, please email classof2025prom@broadlandhighoa.co.uk.

Thank you so far to M&M Flooring, Keo Contractors and Burash.com for their support so far!!!

The overview of sponsor benefits is below.

Options	What you will get in return
Donate £25	Your business's logo will go on a sponsor's board seen outside our prom venue. This will be put on our Broadland Instagram page.
Donate £50	Your company will be featured in our school newsletter, advertising around school and on literature regarding the prom that goes out to the homes of over 700 students at Broadland High Ormiston Academy. As well as this you will get the other advertisement from the earlier options.
Donate £100	Your business will get a page in our school newsletter, your business's logo will go on a sponsor's board and on our prom tickets. As well as this you will get the other advertisement from the earlier options.
Donate £200	Your business will sponsor a table at our prom where you will have advertisement in the centrepiece and on table settings. As well as this you will get the other advertisement from the earlier options.

What does your sparetime look like?

Flying, sports, target shooting, drill, adventure training, camping, fieldcraft, canoeing, archery, abseiling and more...
all whilst hanging out with new friends and having fun!

Excellent attendance matters!

**Be the best you.....
ATTEND EVERY LESSON, EVERY DAY ON TIME.**

5th July 2024

The Unifrog logo consists of the word "unifrog" in a white, lowercase, sans-serif font, centered within a solid green rectangular background.

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, Broadland will shortly be using Unifrog, an award-winning, online destinations platform. All students in all Years will have access to this website by the end of the academic year.

We will begin with Year 10 students to enable them to add work experience placements - we will send Y10 students and their parents further information about how to do this next week.

Students access the platform by clicking a link in their welcome email, which will also be sent to their school email address next week. They will then be able to create a password and can begin using the platform.

They will sign in to Unifrog using their academy email address and password and they can do so from any computer, tablet, or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:

Section of the platform	Examples of what students can do	Suitable age range
Quizzes	Finding their interests, personality type, preferred work environment, and skillset.	Years 7-11
Exploring pathways	Explore careers, career sectors, subjects, sign up to free webinars, explore MOOCs and courses, and find wider reading materials.	Years 7-11
Recording what you've done	Record their in-class and extracurricular activities, record examples of their skills, and see the record of CEIAG events the school has added to their accounts.	Years 7-11
Work experience placements	Record their work experience placement, keep track of its approval process, fill in a day today placement diary.	Year 10

OAT in Bloom

[OAT]
Ormiston Academies Trust
ACHIEVING MORE TOGETHER

2024 will see the 60th anniversary of Britain in Bloom. Over the years, Britain in Bloom has continued to bring people together, forged life-long relationships and enriched lives. The theme for this milestone year is 'friendship', and you are invited to get involved in an OAT competition, 'OAT in Bloom'.

The hope is that this event will inspire each OAT academy and their communities to make positive changes to their local environment through horticultural, environmental and community action.

This is an exciting time for all you green fingered students, staff, parents, and families to get gardening. Whether you are planting hanging baskets or raised planters, from vegetables patches to gardens, whatever you choose to grow and nurture, now is your time to shine.

Please submit evidence of your gardening project as photos to eco@ormistonacademies.co.uk.

- Each submission email should have the title 'OAT in Bloom'.
- Each submission must have the name of the person submitting. For pupils, please add age and year group.
- Each submission should include the academy name.

Deadline to submit is the end of the summer term 2024. Winners will be announced in **September 2024**.

Competition categories and requirements:

Best wild meadow

The goal of this category is allowing an area to return to nature and allow biodiversity to flourish.

Best garden design on paper

The goal of this category is to submit a garden designed on paper, fully annotated with a minimum of five labels explaining the garden design.

Most colourful display

The goal of this category is to create the most colourful planting display with the most impact

Best mini marvel

The goal of this category is to effectively utilise space and create a visual display of colour creatively with design and layout in a miniature space.

Best raised bed, container planting, including hanging baskets

The goal of this category is to effectively grow within raised beds, containers or in hanging baskets, being resourceful and eco-friendly in what is being used as containers

Best vegetable patch/fruit orchard/greenhouse

The goal of this category is to showcase the sustainability of food growing and its benefits for health and wellbeing.

Best community garden

The goal of this category is to develop an outdoor space that improves the local community/neighbourhood

Any questions please contact eco@ormistonacademies.co.uk.

for your information

Introducing the new FYI website for young people in Norfolk & Waveney

Norfolk and Waveney Children and Young People's Health Services have launched a brand-new website 'FYI' for those aged 11-24, who are seeking self-care advice, information and guidance about their health and wellbeing. The new website is validated by NHS clinicians and other professionals, making it a reliable source of information on topics such as, health, education, relationships, emotional and mental health and much more.

Using interactive content, downloadable resources and real-life experiences, FYI aims to empower young people to take control of their health and wellbeing, as well as providing information on accessing further local help and advice if needed.

Kooth

Kooth is a web based confidential support service available to young people. Kooth provides a safe and secure means of accessing mental health and wellbeing support designed specifically for young people.

Kooth offers young people the opportunity to have a text-based conversation with a qualified counsellor. Counsellors are available from 12noon to 10pm on weekdays and 6pm to 10 pm at weekends, every day of the year on a drop-in basis. Young people can access regular booked online counselling sessions as needed. Outside counselling hours' young people can message our team and get support within 24 hours.

When students register with **Kooth** they will have support available to them now and in the future. Support can be gained not only through counselling but articles, forums and discussion boards. All content is age appropriate, clinically approved and fully moderated.

To find out more visit

www.Koothplc.com (adults)

www.kooth.com (young people)

where young people can register and others can find out more about the service.

You can also view a short video about the service at: <https://vimeo.com/318731977/a9f32c87de>.

Safer Schools App

As part of OAT we have free access to the Safer Schools App. The Safer Schools App is an award-winning safeguarding resource, developed in partnership between Ineqe Safeguarding Group and Zurich Municipal, that helps entire school communities to better protect themselves in the digital world, through delivering contemporary and contextual safeguarding information to teachers, students, parents and carers.

Parents and carers have access to information on the popular social media platforms used by their children and their friends. They are also provided with an insight on critical issues such as bullying, sexting and gaming and are given easy to follow advice on how they can make their homes and the devices they give their children safer. Parents and carers can download the app and scan the QR code to the left or enter the code for our academy - 7675.

Students have access to age appropriate information, advice and guidance on keeping themselves safe online. Students can download the app and scan the QR code to the right or enter the code for our academy - 4898. If you have any questions or concerns about safeguarding please do not hesitate to contact one of the BHOA team.
