Principal's Update

It has been another busy week at Broadland with assemblies this week focusing on leadership, democracy and community. The themes of community and leadership have been clearly evident in the number of students that have applied both for positions as tour guides and helpers for our open evening next week and for the position of regional student voice representatives, it's great to see this level of involvement.

Students that were interested in the role of guide for open evening will be added to an Edulink club Monday morning so that parents can give permission to attend.

We will launch our academy production of The Addams Family next week with a meeting for all students interested in taking part in any aspect of the show from acting to direction on Thursday during tutor time, it promises to be a great show!

On Thursday, all of Year 11 took part in an afternoon where they engaged with workshops from a range of Post 16 education providers. We were so proud of how well the year group worked with our visitors and represented Broadland High exceptionally well.

Your feedback is really important in helping us to improve as a school. The QR code below will take you to a [survey](#) that will help us to gauge some general feedback at the start of this year. We will do this throughout the year to get your feedback on a range of issues.

Finally, thank you in advance to all parents and cares who will support the open evening by allowing student to take part.

Have a good weekend.

Sports Report

The Yr 9 and Yr 11 boys football teams had their first matches this week at North Walsham. They were two very competitive matches with the 11's losing 1-3 with our goal scored by Jacob. The 9's had an amazing comeback from 0-4 to win 6-4, with three goals in the final 10 minutes. Goals by Cameron, Charlie 2 and a hat trick by Joseph T.

Day	Club	Lead teacher
Monday	Boys football	Mr Shreeve & Mr Wright
Monday	Running club	Mr Storey

Kooth

Kooth is a web based confidential support service available to young people. Kooth provides a safe and secure means of accessing mental health and wellbeing support designed specifically for young people.

Kooth offers young people the opportunity to have a text-based conversation with a qualified counsellor. Counsellors are available from 12noon to 10pm on weekdays and 6pm to 10 pm at weekends, every day of the year on a drop-in basis. Young people can access regular booked online counselling sessions as needed. Outside counselling hours' young people can message our team and get support within 24 hours.

When students register with **Kooth** they will have support available to them now and in the future. Support can be gained not only through counselling but articles, forums and discussion boards. All content is age appropriate, clinically approved and fully moderated.

To find out more visit

www.Koothplc.com (adults)

www.kooth.com (young people)

where young people can register and others can find out more about the service.

You can also view a short video about the service at: <https://vimeo.com/318731977/a9f32c87de>.

Safer Schools App

As part of OAT we have free access to the Safer Schools App. The Safer Schools App is an award-winning safeguarding resource, developed in partnership between Ineqe Safeguarding Group and Zurich Municipal, that helps entire school communities to better protect themselves in the digital world, through delivering contemporary and contextual safeguarding information to teachers, students, parents and carers.

Parents and carers have access to information on the popular social media platforms used by their children and their friends. They are also provided with an insight on critical issues such as bullying, sexting and gaming and are given easy to follow advice on how they can make their homes and the devices they give their children safer. Parents and carers can download the app and scan the QR code to the left or enter the code for our academy - 7675.

Students have access to age appropriate information, advice and guidance on keeping themselves safe online. Students can download the app and scan the QR code to the right or enter the code for our academy - 4898. If you have any questions or concerns about safeguarding please do not hesitate to contact one of the BHOA team.
