Principal's Update

In assemblies this week we have been talking with students about their achievements so far this year as we reach the end of the first half term. Thinking about how we organise ourselves at home and how we can work on feedback when we find work hard.

We have also started to discuss how we will adapt our approach to mobile phones at school. We will communicate this more with parents over the next half term and will look for feedback and involvement from students, staff and parents as we move forward.

Next week we will send out information regarding purchasing tickets for our performance of The Addams Family and details for Year 7 regarding music tuition.

As the winter months approach, we would like to take the opportunity to remind families that students can still come to school with coughs, colds, sore throats etc. Please be assured that if your child becomes too ill to be at school, our staff will call you. The NHS have recently updated their information around when to send children to school if they are unwell. Please see this link if you're unsure if your child is too unwell for school.

I hope that everyone has a good weekend!

Sports Report

It's been a busy week of sport this week at Broadland and with the Y7 girls out all day today at The Nest we will have more to report next week.

First of all, congratulations to Noah Jarred in Y9 who attended the 14th European Karate & Kobudo Championships in Pruszków, Poland last week. Noah came home with two bronze medals; one for team rotation kumite and one for individual kumite.

The competition is of a very high standard, bringing together the best athletes from all over Europe, with over 1700 athletes attending this Championship.

Next stop for Noah on his competition journey is the WUKF World Championships in Sweden in 2025!

Sports Report

Year 9 Boys

Attacking football was on show in this weeks Year 9 Boys County Cup match against Acle. A breathtaking start by Broadland gave us a 2-0 lead inside 90 SECONDS! Charlie netting both. Acle battled their way back into the game and lead at the break. Another bright start to the second half saw us reduce the lead with Charlie scoring two more goals making it FOUR for the match! Unfortunately, we suffered a 4-7 defeat and Acle progress to the next round.

Year 8 and Year 10 Boys

GOALS GALORE! Our Year 8 boys lost 4-7 against North Walsham. After trailing 1-6 at half time the boys clawed their way back into the game but couldn't quite find enough goals. Goals by Henry 2, Edward P and Tom.

The Year 10 boys galloped into a 4-0 lead against North Walsham. Early goals from Oli and Gideon were followed up by Gideon with another wonder goal and Oli side footing home a penalty. Oli completed his hat trick in the second half with a mazy run from the halfway line. Two wins out of two this year so far from the Year 10s.

Year 7 Boys Football

The Year 7 boys faced a hardworking North Walsham side this week. After a comprehensive win in our last match, it certainly was a shock for the boys to be losing 0-2 early on. The battled back into the game with goals from Michael and Rex in the second half to reduce to deficit to 2-3 with three mins to play but we conceded a further goal in the closing stages.

Year 7 boys Rugby day

On Tuesday, we had the pleasure of taking a group of year seven boys to North Walsham Rugby Club. The day consisted of a morning of different activities focusing on the key skills from tackling to rucking over the ball, ball handling and mini conditioned games.

After lunch, they played a game against each of the other five schools. The boys scored in every game and won 3 of their 5 games which was an amazing accomplishment for a very inexperienced side.

Most importantly, all the boys demonstrated the core values of Rugby; teamwork, respect, enjoyment, discipline and sportsmanship or 'TREDS' for those in the know in the Rugby world.

It was amazing to see how the boys progressed through the day and how supportive they were of one another.

If any students in 7-9 are interested in the Rugby days, please email Mrs Keel

Volleyball club

Volleyball Club has been a great success this year so far . Students have come such a long way in just a few sessions.

Young Carers

At Broadland High Ormiston Academy (BHOA) we believe all young people have a right to an education, regardless of their situation at home. When a young person has a caring responsibility, they may need extra support to help them get the most out of school. We define a Young Carer as a young person who has caring responsibilities for a family member with a disability, health condition, mental health condition or substance misuse issue, or who are frail and elderly. Young Carers may provide physical care, personal care, help with medication or practical tasks, or provide emotional support.

We are an informal group who meet in form time, the last Friday of each month, the students are provided with a hot meal, activities and a safe space to discuss any issues they may have with our young carer lead, Mrs Harvey.

If you think your child could be a young carer and they would like to join the group, or you have any questions do not hesitate to contact Mrs Harvey, victoriaharvey@broadlandhighoa.co.uk
